

EE Fork Cap Wrench Installation Instructions

Forks on the bike:

- 1** Using a 10mm t-handle or socket, loosen the 4 upper triple clamp pinch bolts. (Figure 1)
- 2** Using a 10mm t-handle or socket, remove the handlebar clamp bolts. (Figure 2) Lift the handlebar out of the bar clamp and zip-tie it out of the way.
- 3** Put your EE fork cap wrench on a 1/2" drive ratchet.
- 4** Insert the 4 pins on the EE fork cap wrench (Figure 3) in the 4 holes in the fork cap (Figure 4). Make sure that all of the cap wrench pins and fully engaged in all of the holes in the fork cap. (Figure 5)
- 5** Turn the fork cap wrench counterclockwise to loosen the fork cap. Turn the fork cap wrench clockwise to tighten the fork cap. When tightening the fork cap use a 1/2" drive torque wrench with the EE fork cap wrench to tighten the fork cap to motorcycle manufacturer's specifications.
- 6** Torque the 4 upper triple clamp bolts to motorcycle manufacturer's specifications.
- 7** Re-install the handlebar and torque the handlebar clamp bolts to motorcycle manufacturer's specifications.

FIG 3

FIG 4

Forks on the bench:

- 8** We recommend that you loosen the fork caps before removing the forks from the bike. Otherwise, you will need to find a good way to hold the fork securely enough to keep it from turning while you try to loosen the fork cap.
- 9** If you have a good way of holding the forks, refer to steps 3, 4, and 5.

FIG 5

WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician. Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after market parts. EEI's customers must exercise good judgment in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited to either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI products will void this limited warranty). EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing an EEI product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and that Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose. R.JRF.Sec.randt.warninganddisclaimer.5 2 08
