

EE Honda/Kawasaki Bar Riser Kit Installation Instructions

- 1** Take a marker and draw a line across the handlebar and handlebar clamp to be able and put your handlebars back to the current position.
- 2** With a 19mm wrench, loosen the bar clamp lock nuts on the bottom side of the upper triple clamp. (Figure 1)
- 3** With a 10mm socket, remove the 4 bolts that hold on the upper handlebar clamps as shown in (Figure 2)
- 4** Lift the handlebars up and out of the lower bar cradle/clamps. You can strap or zip-tie them out of the way for now.
- 5** Remove the bar clamp lock nuts and washers that you loosened in step 2. Pull the lower handlebar clamps up and out of the triple clamp. (Figure 3)
- 6** Remove the rubber sleeve and washer from the original lower handlebar clamps. (Figure 4)
- 7** Insert the rubber sleeves and washers into the upper triple clamp. (Figure 5)
- 8** Insert the new handlebar clamps in the upper triple clamp. The bolts will go through the rubber sleeve and washer as shown. (Figure 6)
- 9** Install a rubber sleeve and washer on the bottom side of each handlebar clamp bolt. Thread the lock nuts onto the handlebar clamp bolt. (Figure 7) Do not tighten yet.
- 10** Re-install handlebars in lower bar cradle/clamps. Make sure they are in the same position that you marked in step 1. Install upper handlebar clamps. Tighten mounting bolts to motorcycle manufacturer's specified torque.
- 11** Now torque down the lock nuts you installed in step 9. Tighten the lock nuts to the motorcycle manufacturer's specified torque.

WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician. Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after market parts. EEI's customers must exercise good judgment in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited to either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI products will void this limited warranty). EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing an EEI product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and that Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose.
